Presidents Message

Marshall Kendrick

Greetings to all.

Hopefully spring has arrived where you live. It's been a long winter here in Kansas as we still had snow on the ground on the 23rd of April, unbelievable.

Dale has posted on the web site where you can get registered for the our reunion in Seattle, its early but never to soon to get it done.

Update on the plans that and Bernard Gutierrez and I are working on for the reunion in Long Beach. I spoke with his nephew that works with a company that has a two and on half hour dinner cruise and am looking at hotel options. This is just a start I will have more information and other plans as they come available. I am also working with the people that have helped set up our reunion in Seattle.

This will be the last newsletter before the Reunion so please take note of the registration details as the final date to get your registration to Military Reunion Planners, without a penalty, is July 25, 2013. Those of you who receive this newsletter via email will be able to access the registration form at the Cabildo website.

Warren has provided a printable registration form and hotel registration information that you can download and mail in or you can register online directly with Military Reunion Planners.

Hotel reservations must be made directly with the Hotel. We will be staying at the Doubletree Suites by Hilton Seattle Airport / Southcenter 16500 Southcenter Parkway Seattle, Washington 98188, Phone 206-777-3300. Be sure to let them know that you are with the Cabildo group to get the reunion rates.

Those of you who will get this newsletter via snail mail will find a copy of the registration form and Hotel information as part of the printed newsletter. Don't forget that the association voted last year to pay the Banquet Fees for the Association Member and one (1) guest. I received a nice note from Dixie Terry thanking me for letting Frank's shipmates know of his passing. I also added an "over the bar" page to our website in his honor as I do for association members.

I also received a note from association vice president Leo Waltzak that his knee replacement went well and he is walking without his cane.
